

Hello,

ExxonMobil Pipeline Company was in your neighborhood today to speak with you about upcoming work in this area. We will soon begin pipeline maintenance and construction-related activities that will result in a closure of Kingfisher Avenue from Swan Avenue to Sparrow Street. This closure is expected to begin June 21, 2021 and end August 31, 2021.

For more information about the overall project, including this work and our progress, please scan the QR code or visit:
